Polyscientific Regenerative Integrative Systems Medicine

# Basic & Advanced Courses

Post Graduation Upskill Certification Courses Accredited by I-PRISM and IIT-H

GAIN THE TECHNO-CLINICAL SKILLS TO TREAT END STAGE CARE

A Novel Course Introduced By

# I-PRISM

INSTITUTE OF POLYSCIENTIFIC REGENERATIVE INTEGRATIVE SYSTEMS MEDICINE

In Collaboration with

# IIT-H

INDIAN INSTITUTE OF TECHNOLOGY HYDERABAD

# PRISM Basic Course

The PRISM Basic Certification Course is a 4-month program offered in collaboration with IIT Hyderabad, introducing students to the 'Genesis of PRISM' and the foundational concepts of Polyscientific Regenerative Integrative Systems Medicine.

**Eligibility Criteria:** BAMS, BUMS, BSMS, BHMS, BNYS, MBBS, B.Pharm, M.Pharm, Pharm.D, BTech, Life Sciences.

1.

## Curriculum Framework

Curriculum is Enriched with 12 multi-disciplinary sciences of PRISM Framework and Its applications in understanding 12 Clinical Disciplines.

2.

## Faculty Composition

PRISM translational science taught by Dr. Ravishankar Polisetty & team. 30% from IIT Hyderabad (Math, Physics, Applied Sciences).

3.

## Assessment

A balanced mix of formative and summative monthly assessments, viva, written exams, presentations, and peer collaboration.

**Fee Structure:** ₹1,50,000- (Excluding Hostel, Transport, Books etc.)

# PRISM Advanced Course

The PRISM Advanced Certification Course is a 4-month program designed to equip students with problem-solving abilities and practical clinical skills essential for treating and managing end-stage life care, supported by hands-on training in digital technologies.

**Eligibility Criteria:** BAMS, BUMS, BSMS, BHMS, BNYS, MBBS, B.Pharm, M.Pharm, Pharm.D, BTech, Life Sciences  
+ PRISM Basic Course

1.

## Curriculum Framework

Practical applications and Training in Clinical orientation, Manual Pulse Diagnosis (Nadi Pariksha of VPK-18) and Docture-Poly VPK-42 analysis

2.

## Faculty and Assessment

Faculty teaching and assessment is similar to the Basic Course but with more, clinical training with project works and practical exams

3.

## Course Outcomes

Eligible for the SGP-certified PRISM Advanced Practitioner credential, with access to independent clinical practice (including device support, an assistant, and a preliminary clinical license under SGP guidelines).

**Fee Structure: ₹1,50,000- (Excluding Hostel, Transport, Books etc.)**

# At IIT-H Facility

IIT campus is designed to inspire learning, creativity, and well-being.  
We ensure a safe, modern, and resourceful environment for all  
students.

- Smart Classrooms with multimedia support → Indoor Sports Hall and Outdoor Playing Fields
- Science Laboratories (Biology, Chemistry, Physics) → International faculty from top universities
- Computer, IT Labs and Research Labs → Cafeteria with healthy meal options
- Library & Digital Resource Center → Student Lounge and Counseling Rooms
